

# THE PERFECT CONFERENCE LOCATION NEAR AMSTERDAM!

EXPO Greater Amsterdam is a unique location because of its industrial appearance in a green environment. This exclusive event location near Schiphol Airport is located in the centre and perfectly accessible. The expo hall is very suitable for conferences due to the structure with an auditorium and several breakout rooms. Trade shows can be hosted in the halls and combine perfectly with a congress or product presentations. There is an auditorium and several sub-rooms, because of this the large outdoor area of more than 21,000 square metres is also ideal for various purposes: from active outdoor programs to educational breakout sessions in the park.
